I (we) agree to use the hydrant and meter of Irvin Water according to the rules and policies as set forth: and Irvin Water District Resolution 2023-5 (Increase in Water Rates).

1. Agrees to pay for any and all repairs for damage to the hydrant, meter, appurtenances, during the permit period.
2. Responsibility for the proper use of the hydrant and meter will be that of the permit holder or his agent.
3. Insure that the hydrant is off at the end of each day and the meter is removed. If the meter is chained and locked to the hydrant by Irvin Water exception is noted, but turn off the hydrant each day.
4. Shall obtain and keep in force during the period of use, liability and property damage insurance pursuant to title 28 RCW.
5. Use backflow prevention assemblies in accordance with current state laws and Irvin Water rules to prevent any possibility of contamination of the district water supply.
6. Violations or tampering or use of hydrants or meters without an authorized permit will result in a \$150 fine. After any violation, permit will be revoked. Monies paid will not be refunded.
7. Failure to comply with the rules of this permit is subject to permit denial!

I understand the above instruction. SIGNATURE \_\_\_\_\_
